

## 2017 FARM BUCKS SIGN-UP SHEET

Name: \_\_\_\_\_

This year, we are happy to debut our new Farm Bucks program. In addition to our CSA program, we have decided to offer this alternative way to purchase vegetables at a discount. We acknowledge that many of you would prefer to support our farm and eat local produce without enduring the unpredictability of a boxed share. Like a CSA, the Farm Bucks program allows you to help support our farm in the early part of the season by paying in advance for Farm Bucks to be used in the store during our long harvest season. Plus, they are worth more than the dollars you spend on them!

Farm Bucks may be purchased in \$50 increments. You will receive a value at 10% over your purchase up to \$200 and a value of 15% over your purchase for \$250 and over. For example, a \$100 gets you \$110 Farm Bucks. \$300 gets you \$345 FarmBucks.

Dollars Paid	\$50	\$100	\$150	\$200	\$250	\$300	\$350	\$400	\$450	\$500
Farm Bucks	\$55	\$110	\$165	\$220	\$287.50	\$345	\$402.50	\$460	\$517.50	\$575

I would like to contribute:

Dear Farm Bucks Members,

Thanks for registering for the 2017 pilot Farm Bucks program at Allandale Farm! Please review and sign this Farm Bucks agreement that includes guidelines for participation.

Chelsea's FAQ's:

**What can I buy with my Farm Bucks?** Members may use their Farm Bucks to purchase any and all Allandale produce available in the Farmstand, as well as Allandale's cut flowers. They may not be used to purchase any items that we have brought in from outside farms or vendors. Additionally, they may not be used to purchase any live plants or garden supplies available in our Garden Center, even those grown on the farm.

**How do I use my Farm Bucks?** Once you have registered and we have received your payment, we will have your name, a FarmBucks number, and your balance on file at the register. You will receive a FarmBucks card with your number as well. (If you sign up before the start of the season, we will mail your card to you.) Please let our cashiers know *at the start of your transaction* if you will be using your Farm Bucks, and have your card on hand. If you forget your card, we'll ask for ID and we'll be able to look you up on file. Our system will keep track of your balance.

**How do I pay for Farm Bucks?** At this time, we require members to pay for their Farm Bucks by check. You may mail in your check and completed registration form, and you will receive a confirmation email once we have processed your information. Once we open for the season on 3/27/17, you may purchase Farm Bucks with cash or check in the store, too.

**When can I use my Farm Bucks?** FarmBucks may be used at any time throughout the 2017 season!

**When do I sign up for Farm Bucks?** We will be accepting Farm Bucks registration through 6/1/17.

**Can I reload my Bucks if I use them all up?** For this, our pilot season, we will not be reloading members' cards throughout the season.

**What if I don't use all my Bucks, can I roll them into next season, or get a refund?** No, Farm Bucks expire at the end of 2017 and will not be rolled over season to season. Refunds are also not available.

We promise to do our best to provide you with the highest quality and largest diversity of farm-grown vegetables that we can. Thanks again for your support and we look forward to seeing you at the farm this season! Don't hesitate to email Chelsea at [csa@allandalefarm.com](mailto:csa@allandalefarm.com) with any questions.

Thank you!

*I understand that by registering I accept the inherent risks and rewards of participating in a Farm Bucks program. By signing, I acknowledge that agriculture is unpredictable and I will not receive a refund for any crop losses or failures.*
