

Job Description: Garden Center Specialist

We are looking for a responsible, hardworking, friendly Garden Center Specialist to join our retail team. This is a Part to Full time (24-40hrs) position available for the 2017 season (April through June). All applicants must be able to work at least one weekend day.

Responsibilities include:

- Ensuring that all plants are being properly maintained through watering, pruning, and cleaning (greenhouse, nursery and retail)
- Assisting customers with: plant selection; gardening questions and concerns
- Moving plants from production to retail and creating displays.
- Receiving and merchandising deliveries of plants
- Reports to Garden Center Manager and Garden Center Assistant Manager

Qualifications include:

- A strong work-ethic, good attention to detail, and strong time management skills
- Strong plant identification, plant maintenance, and pest and disease identification skills
- Willingness to participate in staff trainings and to continue their own horticultural education
- Retail experience with proven customer service skills a plus
- Experience with proper planting techniques and organic maintenance strategies
- Able to comfortably lift 50 lbs and work outside in a physically demanding environment for 8-10 hours
- Current Valid Driver's License and ability to drive manual vehicles/forklift preferred
- Previous garden center/nursery experience preferred

Compensation:

- Competitive hourly wage commensurate with experience
- 25% employee discount in farmstand and garden center
